## OFFSET PRINTING SPARES

Under our brand “KOMOR”, we introduce ourselves as **leading** manufacturers of **Offset printing spares** (specifically for models 2011 and onwards).

Our team of well qualified professionals comes with more than 30 years of experience in the field of manufacturing and development, with facilities CAD -CAM for designing spares taken care of in-house. **Over the years, our products have found wide acceptance in India and the international market.**

**We have a variety of major spare parts for GUIDE, SCRAPER, FILTERS, GEARS, GRIPPER PAD, FORWARDING SUCKER BODY, FEEDER WHEEL, BUSHING etc.**

**In addition to manufacturing and development of offset printing spares, we also specialise in procurement of spare parts from OEMs like NTN, BAKER, KEYENCE, CKD, SMC, ORION, RRR, TOSHIBA, COSMOTEC etc. and maintain a stock of these spares to provide immediate services based on the requirement.**
